BEAR RANCH

Bear Ranch LLC was purchased in 2006 by it's present owners Bill and Bridget Koch. It is a working cattle ranch with registered Salers and Texas Longhorn cattle and an extensive haying operation. It consists of nearly 5000 acres of high mountain land surrounded by towering peaks that look down on lush meadows. This picture was taken by Darol Dickinson showing one of the beautiful herds of Longhorns with Colorado Aspens in the back ground.

CALLAN CATTLE CO.

"Their family was the original cattle to the Americas. The present Texas Longhorns were forged by Time & Nature. Most resistant to disease, calves that survive and the most efficient on Natures own grasses and forbs. The Longhorns at Callan Cattle Co. thrive on change around them as they always have. They are awaiting your discovery. **Contact:** Ed Callan ~ 7688 Marion Rd. ~ Newark OH Ranch: 740-745-3348 ~ <http://callancattleco.blogspot.com> E-mail: jcallan@windstream.net
