BEAR RANCH

Bear Ranch, owned by Bill and Bridget Koch, consists of nearly 5000 acres of high mountain land surrounded by towering peaks that look down on lush meadows. It is a working ranch with Texas Longhorn and 7X Cattle (www.7xbeef.com), which lies just below Colorado's Ragged Mountains.

Inside Front Cover

CALLAN CATTLE CO.

At center, herd sire Cleat, by Clear Win is dutiful. He doesn't stop for pictures, chatting, bread treats, nor hardly anything. He's always paying attention to his job. It's a rough life and rewarding for us. It's a great time for owning Texas Longhorn cattle. More markets than other breeds. Longhorns give us great opportunities, feeding families, selling brood stock, wall hanger skulls/horns, clearing land of brush while gaining weight & growing. They're photogenic for newspaper and magazine ad articles. You'll enjoy pretty, eye catcher cattle around you. How can you not find an interest there for yourself? Select from Callan Cattle Co.

Back Cover

DICKINSON CATTLE CO., LLC.

In 2016, DCCI will celebrate their 49th year raising the great Texas Longhorn breed of cattle. By using measurements, charts, graphs and scales the annual quality increases without fail. Nearly 600 registered cows of 3 breeds are bred annually and data is collected to continue breed improvement. This is a 2 year old son of Jamakizm named "Lots Of Flair." He has displayed quick, easy fleshing only dreamed of a dozen years ago. His progeny and other closely related cattle are available at DCCI.
