W2 Longhorns is a boutique Texas Longhorn cattle operation located deep in the heart of the Texas Hill Country in Fredericksburg, Texas. As a smaller ranch, we focus on twist, flashy calves, productive cows, and correct conformation from head to hooves! We have been involved with Texas Longhorns since 1986, but over the last 4 years have really been ramping up our pedigrees, as well as our nutritional program. We are excited for the future and the genetic foundation path that we are following! Please always feel free to call or come see us! We are at your service!
